## POLICY

### Wellbeing and Engagement Policy

#### School profile

Great Western Primary School is a delightful rural school which provides a comprehensive education for all its students.

Great Western Primary School has served the township of Great Western and the outlying rural community since its establishment in 1867.

The school is situated on 1.6 hectares, which provides ample space for gardens, shade trees and areas for formal and informal games.

The School Council and school community ensure that the school's excellent and attractive facilities are well maintained, that the programs and activities are well resourced and that an overall sense of caring and pride produces a wonderful atmosphere in which young children can be nurtured and educated.

The school is located only 8 minutes from Stawell and 12 minutes from Ararat.

There is a current enrolment of 20 students from Foundation to Year 6. In recent years our enrolment has built from 16 students to 29 students at the commencement of the 2019 school year. It is most likely the school's enrolment will continue to hold in the low 20's for the next few years.

#### SCHOOL FACILITIES

In 2022 there are four learning centres:

Junior: Foundation – Year 2

Senior: Year 3 - 6

Art/Library

Classrooms are equipped with electronic whiteboards one to one laptops, plus iPads and iPods, all with internet access and software programs to support student learning.

The school serves as the base for the Great Western MARC Library and our programs are supported through access to this service on a fortnightly basis.

The playground and play equipment provide a wonderful area in which to play and a covered, sealed basketball area provides all weather shelter for the children. The outdoor eating and learning area provides another valuable and enjoyable space for the students.

The staffing profile consists of a Principal/classroom teacher, 1 classroom teachers, 1 Educational Support staff member, 1 MARC Teacher 0.2 (based at the school) and a LOTE Teacher 0.1.
