Dear Parents, Family and Friends,

Firstly we would like to congratulate all our students for their hard work during this second round of home learning. It has been fabulous seeing students completing their set tasks and interacting daily with each other through our Webex meetings. Thank you also to our families for their ongoing support ensuring children are keeping up with their class work.

Book Club.

Issue 6 of Book Club was sent home in the students packs today. If you would like to order any items from the catalogue you can either place an order online, or place your order along with payment in your child's home learning pack to be returned next Thursday September 3rd.
